

CONTACT MEMO

Date: February 13, 1997
Contact: Colusa County Groundwater Management Committee
Setting: Meeting in Colusa

I was asked by Marion Mathis of the Colusa County Groundwater Management Committee to make a presentation on CALFED groundwater activities. Also present were Stein Buer and Mark Cowin of CALFED. Approximately 13 people were in attendance, including Jeff Jaraczski of the Northern California Water Association.

I made a brief presentation on CALFED's groundwater outreach program, including a discussion of the preliminary principle's for conjunctive use and a discussion of subsidence issues. Stein and Mark answered questions after the presentation.
